

**Four days Training Programme for Medical, Veterinary and Wildlife
Professionals on Diagnosis of Zoonotic Bacterial and Viral Infections 31
January-3 February, 2023**

ICAR-National Research Centre on Equines (NRCE), Hisar is one of the Regional Coordinators and has been entrusted by NCDC, New Delhi for strengthening inter-sectoral coordination for prevention and control of zoonotic diseases under One Health Programme for Control and Prevention of Zoonotic Diseases (NOHPCZ). In order to upgrade diagnostic capacity of laboratory professionals on zoonotic diseases, a 4days **“Training Programme for Medical, Veterinary and Wildlife Professionals on Diagnosis of Zoonotic Bacterial and Viral Infections”** will be organized at NRCE, Hisar from **31 January-3 February, 2023**. The training programme will include expert lectures on prevention and control of zoonotic diseases and hands-on-training on diagnosis of zoonotic diseases, viz, Glanders, Tuberculosis, Brucellosis, Japanese Encephalitis and Pox Viral Diseases. A total of 35 participants including 15 Medical Officers, 15 Veterinary Officers, and 5 Wildlife Officers from Uttar Pradesh state will participate in this training programme.

NOMINATION FORM

Training Programme for Medical and Veterinary Professionals on Diagnosis and Control of Zoonotic Diseases

Date: 10-12 December, 2019

Details of Participant

First Name: _____, Middle Name: _____, Surname: _____

Gender: _____, Date of Birth (dd/mm/yyyy): _____

Educational Qualification: _____

Current Place of Work/ Organization: _____

Official Address: _____

City: _____, PIN: _____, State: _____

Phone: _____, FAX: _____

Mobile: _____, E-mail: _____

Address for Correspondence: _____

City: _____, PIN: _____, State: _____

Signature of Participant: _____

Date: _____, Place: _____

Recommendation of Head of Department/ Controlling Officer

Signature & Seal of HoD/ Controlling Officer: _____

Date: _____

Place: _____

**TENTATIVE PROGRAMME
for**
